## Privacy Policy for JW Infotech

At JW Infotech ("JW Infotech," "we," "our," or "us"), we are committed to protecting your privacy and maintaining the confidentiality of your personal information. This Privacy Policy explains how we collect, use, disclose, store, and protect information when you visit our website, engage with our services, participate in our training programs, apply for jobs, or otherwise interact with us.

By accessing or using our website and services, you acknowledge that you have read and understood this Privacy Policy.

---

# 1. About JW Infotech

JW Infotech is a technology consulting, software development, digital transformation, artificial intelligence, quality assurance, cloud solutions, workforce development, industrial training, and business innovation company serving clients across multiple industries and geographies.

---

# 2. Information We Collect

We may collect the following categories of information:

## A. Personal Information

Information that can identify you directly or indirectly, including:

- Full name
- Email address
- Phone number
- Company name
- Job title

- Mailing address
- Country or region
- LinkedIn profile information (if voluntarily shared)
- Resume/CV and employment history
- Educational qualifications
- Internship and training records

## B. Business Information

When you engage us for consulting or professional services, we may collect:

- Organization details
- Project requirements
- Technical documentation
- Business objectives
- Communication records

## C. Website Usage Information

We may automatically collect:

- IP address
- Browser type and version
- Device information
- Operating system
- Referring URLs
- Pages visited
- Time spent on pages
- Website interaction data

## D. Marketing Information

If you subscribe to newsletters, webinars, events, or marketing communications, we may collect:

- Communication preferences
- Event registrations
- Survey responses
- Feedback submissions

---

# 3. How We Collect Information

We collect information through:

### Direct Interactions

When you:

- Submit contact forms
- Request a consultation
- Download resources
- Register for events
- Apply for jobs
- Enroll in training programs
- Subscribe to newsletters
- Communicate with us via email, phone, or social media

### Automated Technologies

Through:

- Cookies
- Analytics tools
- Website monitoring systems
- Security monitoring tools

### Third-Party Sources

We may receive information from:

- Professional networking platforms
- Recruitment partners
- Business partners
- Marketing platforms
- Publicly available sources

---

# 4. How We Use Your Information

We use collected information to:

JWINFO.TECH

## Service Delivery

- Provide consulting and professional services
- Develop and support software solutions
- Deliver training programs
- Manage projects and engagements

## Communication

- Respond to inquiries
- Provide customer support
- Schedule consultations
- Share service updates

## Recruitment and Career Opportunities

- Evaluate applications
- Conduct interviews
- Manage internship programs
- Assess candidate suitability

## Marketing and Business Development

- Send newsletters
- Share industry insights
- Inform you about events and webinars
- Provide information about our services

You may opt out of marketing communications at any time.

## Website Improvement

- Analyze website performance
- Improve user experience
- Enhance security
- Develop new features and services

## Legal and Compliance Purposes

- Meet legal obligations
- Prevent fraud

- Protect company assets
- Enforce contractual rights

---

# 5. Legal Basis for Processing

Where applicable, we process personal information based on:

- Your consent
- Performance of a contract
- Legitimate business interests
- Compliance with legal obligations
- Protection of vital interests
- Public interest requirements

---

# 6. Cookies and Tracking Technologies

Our website may use cookies and similar technologies to:

- Remember user preferences
- Improve website functionality
- Analyze website traffic
- Enhance security
- Support marketing activities

Users can control cookie settings through their browser preferences.

---

# 7. Information Sharing and Disclosure

We do not sell personal information.

We may share information with:

## Service Providers

Including:

- Hosting providers
- Cloud service providers
- Analytics platforms
- CRM systems
- Marketing automation providers
- Communication platforms

### Business Partners

Where necessary to deliver services or execute projects.

### Legal Authorities

When required by law, regulation, court order, or governmental request.

### Corporate Transactions

In connection with mergers, acquisitions, restructuring, asset transfers, or business sales.

---

## 8. International Data Transfers

As we serve clients globally, information may be processed, stored, or transferred across multiple jurisdictions.

We take reasonable measures to ensure appropriate safeguards are implemented for international data transfers in accordance with applicable laws.

---

## 9. Data Retention

We retain information only as long as necessary for:

- Business operations
- Service delivery
- Legal compliance

- Dispute resolution
- Contract enforcement

Retention periods may vary depending on the nature of the information and legal requirements.

---

# 10. Information Security

JW Infotech employs commercially reasonable administrative, technical, and organizational measures to protect information against:

- Unauthorized access
- Disclosure
- Alteration
- Loss
- Misuse

While we strive to protect information, no method of transmission over the internet or electronic storage can be guaranteed to be 100% secure.

---

# 11. Your Privacy Rights

Depending on applicable laws, you may have rights to:

- Access your personal information
- Correct inaccurate information
- Request deletion of information
- Restrict processing
- Object to processing
- Withdraw consent
- Request data portability
- Lodge a complaint with relevant authorities

To exercise your rights, please contact us using the details below.

---

# 12. Recruitment and Career Applicants

If you apply for a position, internship, apprenticeship, training program, or consulting opportunity with JW Infotech:

We may collect:

- Resume/CV
- Academic records
- Certifications
- Interview feedback
- Assessment results
- Employment references

This information will be used solely for recruitment, evaluation, onboarding, workforce development, and related business purposes.

---

# 13. Children's Privacy

Our website and services are not directed toward children under the age required by applicable law to provide valid consent.

We do not knowingly collect personal information from children without appropriate parental or legal guardian consent where required.

---

# 14. Third-Party Websites

Our website may contain links to external websites and third-party services.

We are not responsible for the privacy practices, content, or security of third-party websites. Users should review the privacy policies of those websites independently.

---

# 15. Artificial Intelligence and Emerging Technologies

As a technology and AI-focused organization, JW Infotech may use artificial intelligence, machine learning, automation, and analytics technologies to improve services, business operations, customer experiences, and workforce enablement.

Such use will be conducted responsibly and in accordance with applicable legal and ethical requirements.

---

# 16. Changes to This Privacy Policy

We reserve the right to update this Privacy Policy periodically.

Any changes will be posted on this page along with the updated effective date.

Continued use of our website or services after updates constitutes acceptance of the revised Privacy Policy.

---

# 17. Contact Us
